

# 2011 ETITO Bright Sparks Awards Entry Form

Do you have a great idea for a future invention? Build your electronics, software or electrical prototype and enter it into the 2011 ETITO Bright Sparks Competition. You could win great prizes and really get yourself noticed. All you need is that one great idea - so get to work!

Your project must be completed and arrive at ETITO no later than **Monday 10 October 2011**. Include this entry form with your project [you can also download a new one from [www.brightsparks.org.nz](http://www.brightsparks.org.nz)].

Your project will be judged according to your age group category: up to 12 years; 13-14 years; 15-16 years, and 17 years and above.

**If you become a finalist your project will be showcased on the Bright Sparks Awards website. Please include photos and a video demonstration of your project in action [or post your video on YouTube and send the link to Ross Petersen at [rossp@etito.co.nz](mailto:rossp@etito.co.nz)].**

First name.....Surname.....

Date of birth.....School.....

Year level.....Teacher.....

Home address.....

Email.....

Phone number.....

Parent/s, guardian name.....

I am / am not [please circle] a Bright Sparks member

I am happy for my contact details to be provided to the news media should they be interested in doing a story on my project.

I am a student in the New Zealand school system. The project is my own work, unless help from a mentor is acknowledged in my entry.

My project is not a potential hazard and complies with electrical safety regulations.

Signed [entrant].....

**Deliver your invention and this completed entry form to:**

**Bright Sparks Competition, ETITO, Level 3, Building B, 65 Main Highway, Ellerslie, Auckland or post to Bright Sparks Competition, ETITO, Freepost, 5164, PO Box 24469, Royal Oak, Auckland, 1345.**

Final judging will be by an independent panel. Projects will be returned after the judging.

If you haven't already, join the Bright Sparks Club by visiting [www.brightsparks.org.nz](http://www.brightsparks.org.nz). Here you can get great project ideas and chat with other Bright Sparks online.
